

STAND UP FOR FEDERAL LAW ENFORCEMENT

Federal Law Enforcement Officers work hard to protect lives and federal buildings at military bases, VA hospitals, FEMA facilities, postal facilities and other federal installations across the country.

AFGE is asking lawmakers to SUPPORT: Law Enforcement Officer Equity Act (H. R. 962/ S. 1888)

This bipartisan bill would amend title 5 of the United States Code to include certain federal law enforcement professionals within the legal definition of "Law Enforcement Officer" for retirement purposes. This technical correction would grant these law enforcement officers special "6C" retirement benefits that they are currently ineligible to receive.
